**ORDER**

On May 26, 2015, Administrative Law Judge Steven Davis of the National Labor Relations Board issued his decision in the above-entitled proceeding and, on the same date, the proceeding was transferred to and continued before the Board in Washington, D.C. The Administrative Law Judge found that the Respondent has engaged in certain unfair labor practices, and recommended that it take specific action to remedy such unfair labor practices.

The Respondent's "exceptions," filed with the Board on June 23, 2015, were rejected as procedurally deficient by letter dated August 19, 2015. Accordingly,

Pursuant to Section 10(c) of the National Labor Relations Act, as amended, and Section 102.48 of the National Labor Relations Board Rules and Regulations, the Board adopts the findings and conclusions of the Administrative Law Judge as contained in his decision, and orders that the Respondent, Emlo Corporation, its officers, agents, successors, and assigns, shall take the action set forth in the recommended Order of the Administrative Law Judge.

Dated, Washington, D.C., September 3, 2015.
